Have you always wanted to take part in the Olympic Games but never had the talent for it, then the RoverOlympics are exactly the right place for you!

This will be an evening full of fun challenges, games, and great vibes and no talent is required.

You and your clan can look forward to a variety of games, such as darts, table football, cornhole, and even card games, where you'll have to prove yourselves in order to go home as RoverOlympics champions!

The event will take place on 21 March 2026, from 7:00 p.m. to around 10:00 p.m., at the FNEL.

Food and drinks will, of course, be provided! So sign up now, or at the latest by 15 March 2026, whether alone or already as a team of four, it doesn't matter.

You'll find more information in the registration link/QR code.
